Sir:

Applicant respectfully requests acknowledgment of formal drawings including Figures 1-13D filed on March 3, 2006 subsequent to the filing of a Notice of Appeal on February 6, 2006 and in response a February 17, 2006 telephone conference with Examiner Levitan in the above-identified patent application. The Notice of Allowance does not indicate the drawings are acceptable, and therefore, Applicant has not yet received an acknowledgement that the formal drawings are acceptable. However, Applicant believes no response is required to the Notice of Allowance and the submitted formal drawings are acceptable unless informed to the contrary.

Should there be any questions concerning this communication, please telephone the undersigned at the telephone number set forth below.

Respectfully submitted,
